

ARE YOU PREPARED FOR THE FEDERAL BUYING SEASON WITH PROMARK?

A FEW FRIENDLY REMINDERS TO MAKE YOUR BUYING SEASON WITH PROMARK SEAMLESS AND SUCCESSFUL

- Always clearly identify the GSA opportunity when requesting pricing from your sales representative.
- When submitting quote to your customer make sure your cost does not exceed the GSA DNE pricing.
- Clearly identify open market items in your government quote.
- Reminder the IFF is captured at the time your order is placed and will be reflected as a separate line on the invoice.
- In teaming opportunities clearly identify GSA schedule for each sku.
- Make sure you have the correct GSA contract number on all supporting documents for your orders GS-35F-303DA
